MAKING A BIG DEAL ABOUT THE NEW PARK HYATT VIENNA

VIENNA, AUSTRIA, 10 April 2014 – The opening of the year - While the hotel is yet to officially open, the future opening of the Viennese Park Hyatt is already being celebrated as one of the Top 10 High Profile Luxury Hotel Openings 2014 by Forbes.

Park Hyatt Vienna will open its doors in a 100-year old building, formerly a bank, and will shine with new splendour. Forbes Magazine took this occasion to list this luxury hotel in the city centre of Vienna, as one of the “Top 10 High Profile Luxury Hotel Openings for 2014”. Together with other openings in London, Paris, Las Vegas, Moscow, Bali, Istanbul, Beijing and New York, the Viennese hotel is among the top 10 in the world.

Forbes Magazine is one of the most successful and most important global business magazines. Its importance for the international business world has been achieved by releasing rankings of different topics and this is why the ranking of Park Hyatt Vienna is a relevant and remarkable award for the hotel. Not only will the opening and the facilities of the hotel make Park Hyatt Vienna an unforgettable experience, but the fact that it is located in the First District of Vienna, the centre of the city, which is listed as a UNESCO World Heritage site, gives the hotel an exceptional location. All of which speak for the proud positioning on the Forbes ranking.
