FOR IMMEDIATE RELEASE

OUTDOOR TERRACE SEASON AT PARK HYATT VIENNA

– The outdoor Pearl Terrace at Am Hof opens on 1 April 2015 –

VIENNA, AUSTRIA, 19 February 2015 – The Vienna outdoor terrace season has begun, and Park Hyatt Vienna is delighted to announce the opening of the Pearl Terrace from 1 April 2015, with 48 seats at Bognergasse. Pearl Terrace is one of 1,800 outdoor terraces in Vienna. The terrace, a perfect place for a short stop over, is a great place in which to see and be seen.

The Viennese call outdoor terraces “Schanigarten”; a term which does not have proper roots, but historically the name comes from coffeehouse owner Gianni Tarroni, who received the first permit for his “Giannis Garten” at the Vienna Graben in 1750. Furthermore, the word “Schani” is another word for busboy; who often received the task from a chief waiter to place tables and chairs in front of the coffee house. Besides that, it is presumed that the word “Schanigarten” originates from the French word “Jean”, a name given to waiters especially in 19th century Vienna.

The outdoor terrace at Pearl finds its way to the Bognergasse for a second time. Discover a place of relaxation and refreshment at the Pearl outdoor terrace! Enjoy sunny days in the city of Vienna and get spoiled with light lunch menus, Austrian pastries and exceptional cocktails, as well as Austrian white and rosé wines.

In the afternoon our kitchen team pampers its guests with an original Viennese apple strudel, a typical Vienna coffee specialty or one of many refreshing homemade ice creams and sorbets.

The terrace is open daily between April and October from 10:00am to 11:00pm.
